Dear Prof. Guti

How are you? I hope you are doing well.

I am applying for promotion to Associate Professor. I need a screenshot of the email or correspondence for the publication of a journal entitled "A new methodology to Calculate the cooling law of steel mill lamination coils." (2018) If you are not busy, could you send me an email from the reviewer or editor of the journal?  
<https://link.springer.com/article/10.1007/s00170-018-2081-z>

Thank you very much
