Dear Dr. Doddy Irawan,

thank you for your interest 3rd Workshop on Characterization and Analysis of Nanomaterials, February 3-5, 2021, University of Aveiro, Portugal.

<http://3rdwcanm2021.web.ua.pt/>

We think your activity will interesting for participants.

Now the world is in a very serious situation with the PANDEMIA COVID-19.

Many human activities have changed due to this new phenomenon.

The Organizing Committee believes that we can make online workshop using Zoom technology.

<https://zoom.us/>

Our past online workshop WCANM-2020

https://www.youtube.com/channel/UCIMj76KHIEF84LaoPqFy_9g

showed that this type of meetings is useful and helpful.

We will very glad if you will present your results on WCANM-2021.

Please send your abstract (in any format, 1-2 pages) until **15 January**.

<http://3rdwcanm2021.web.ua.pt/index.php/abstracts/>

For a poster presentation, you also need to have a small talk for 10-15 minutes.

For oral presentation, please indicate how long you prefer to speak: 15-30 minutes.

We will organize Zoom Test Meetings a few days before the meeting to test your presentation, internet connection, microphones, etc.

You do not need to pay registration fee.

We will inform you about news of WCANM-2021.

Take care of your health and health of your family.

With best regards,

Dr. Igor Bdikin.
