Dear Dr. Linda Suwarni,

Regarding your submission with Paper No. 965 "Risk factors for severe stunted among Children aged 2-5 years with stunting in Pontianak City, Indonesia", the Editorial Boards of [Global Health Management Journal](#) are pleased to include it for next issue, after [Major Revision](#).

Please find the attached file for your reference.

After revision, please send your Final Manuscript together with the result of Plagiarism Check no later than Monday, 13 November 2023.

During running the checking, please exclude the reference part. It is recommended to have less than 15% of similarity index; each reference similarity should not exceed 1%.

Thank you for trusting [Global Health Management Journal](#) for your home of publication.

Sincerely,

[Doni Marisi Sinaga](#)
