Editor JAMRSSS < editor@amrsjournals.com >
To: Helman Fachri < helmanfachri07@gmail.com >

Dear Author,

We have reached a decision regarding your submission to Journal of Asian Multicultural Research for Social Sciences Study (JAMRSSS), "The Effect of Reputation and Partnership Strategy on Business Performance of Internet Service Provider Company"

Our decision is: Revisions Required

The results of the reviews of reviewers A and B that we summarize:

1. There are still many words that are difficult to understand.
2. Pay attention to citations from various relevant sources
3. Include a brief overview of the current challenges faced by ISPs in Indonesia, providing context for the importance of studying reputation and partnership strategies.
4. Briefly explain why Partial Least Square analysis was chosen as the method for data processing and hypothesis testing.
5. Provide specific statistical findings from the hypothesis testing to give readers a clearer understanding of the magnitude of the effects of reputation and partnership strategy on business performance.
6. Elaborate on practical implications for ISPs, offering specific recommendations on how they can strengthen partnership strategies and improve their reputation.
7. Conclusions should be more concise and explain the purpose.

Best Regards
